## **CONSIDER A LEGACY DONATION**

Legacy giving is an incredibly important way for non-profit organizations to secure long-term funding that they can rely on. With the help of donors' legacy gifts, non-profit organizations can continue their mission and work for generations to come. Legacy gifts can also help non-profits provide better programs and services to our community.

This kind of giving empowers donors to support something that really matters to them without affecting their current finances, and it ensures that their generosity will make a lasting impact for years to come. Additionally, it provides an opportunity for donors to leave a meaningful legacy for their family, friends, and loved ones, knowing they have made a positive impact on the world.

**Please talk to your financial advisor  
about a legacy donation to a local non-profit.**

## MOSES LAKE

*"Everybody can be great,  
because anybody can serve."*

- MARTIN LUTHER KING JR.

We make it easy to give back by helping local non-profits fulfill their missions. Help us GIVE BACK!

We make sack lunches weekly that are distributed to the Open Doors Sleep Center, Serve Moses Lake, our local food bank and Big Bend Community College's Viking Food Pantry for those in need of a simple meal.

During the cold winter months we supply the Open Doors Sleep Center with a roasting pan of homemade soup on a weekly basis.

These packs can be customized per group. We've given packs of supplies to the homeless at the Open Doors Sleep Center as well as gifts to Youth Dynamics, and Soroptimist for their "Dream It, Be It" event for high school girls.

Snacks are provided to New Hope and Kids Hope's waiting areas so they are able to provide something to eat for clients during their time of need. We are also able to provide snacks and food to the Boys & Girls Club and Youth Dynamics.

We provide clothing vouchers to the Salvation Army that are redeemable at the Moses Lake Senior Center to provide clothing to those in need.
